That Damage Suit.

That Damage Suit.

The city is sued for damages. It seems there is a short space on South Ninth atreet where there are three or four guilles running diagonally across the street, which the city has neglected to fix until the Curlosity Shop, loaded with a set of furniture, a gasoline stove, a large mirror and a lot of dishes, ran in the ditch, tipped over, broke everything generally, hence the damage suit.

Oranfill and the Advance.
While that lively little sheet, the
Advance, has been removed to Dallas,
the editor is still here in Wacc and
the Wacc Curlosity Shop proposes to
prohibit high prices on stoves and
furniture and give notice now that
they will have a full stock of both,
and will make it hotter this fall and
winter than it was during the time
that hell was full of preachers.

A large majority of the voters of Waco cast their ballot for the Waco Curiosity Shop.

The attention of the city council is called to South Ninth street, between Datton and Cleveland streets. Their never has been any work done there, and it is almost impossible. The Curiosity Shop is in for a damage suit.

Many ladies in Waco are now using stoves that need no pipe, no flue that makes 2 no smoke, dirt or soot, that burns neither wood nor coal. This curlosity can be seen at the Curlosity Shop.
